In 1914 in Cleveland Ohio, the very first community foundation was established.
In 1914 in Cleveland Ohio, the very first “Go” traffic light was installed.

How fitting that those two facts are so closely entwined, as community foundations have been green-lighting wonderful and transformative local projects for nearly a century.

Your community foundation – Foundation for Roanoke Valley – shares this longstanding tradition of making things happen, of engaging citizens who are passionate about this place we call home and helping them translate their charitable dreams and ambitions into tangible and effective solutions and community benefits.
Philanthropy starts with a desire to make a difference. Are you passionate about improving the lives of those around you? Become a member of our philanthropic family.

For 24 years, Foundation for Roanoke Valley has been empowering people just like you to do great things in our community. We provide the professional service to help you accomplish your charitable goals. Whether you make an annual gift to the Foundation’s Operating Fund, unrestricted Community Catalyst Fund or a major gift to create your own named fund, all have enduring and important value. Our board’s prudent financial oversight and our program staff’s professional expertise will help you fulfill your philanthropic wishes while establishing your legacy in the community.

There are many advantages to giving through Foundation for Roanoke Valley:

**IT’S EASY:** Foundation staff handles your fund’s set-up, investments and grant administration, much like a private foundation but with none of the administrative work for you.

**IT’S COST EFFECTIVE:** A minimum gift of $10,000 (with the exception of Scholarship or Grantee Endowment funds which require $25,000) establishes your fund, which can accept additional gifts at any time. There are no set-up fees, and it can be done quickly using a simple fund agreement. Each fund provides a modest annual administrative contribution that enables the Foundation to carry out its work in the community.

**IT’S A TAX BENEFIT:** Because the Foundation is a public charity, we offer the maximum tax advantages under state and federal laws.

**IT’S LOCAL:** The Foundation’s deep roots and keen local knowledge can help you maximize your gift’s impact in the community.

**IT’S FOREVER:** Your gift keeps on giving long after you are gone. Giving cash, stocks, real estate, retirement assets or even intellectual property are all ways to support the community you love. You can donate these assets during your lifetime or through a planned estate gift. Your Community Foundation staff, working with your attorney, accountant or other advisor, can help create a plan that will achieve your philanthropic dreams.

A WORD OF THANKS

Foundation for Roanoke Valley recognizes the importance of professional advisors in the charitable gift process. Their work is a valued and valuable part of our long-term success, and we are deeply indebted for the regular and ongoing support and involvement of the professional advisor community!

Reaching Out

In times of great personal crisis, individuals and families live minute by minute, hour to hour, as they struggle to make it through a catastrophic event. One constant for them is the incredible help of the American Red Cross – Roanoke Valley Chapter. Hundreds of our neighbors each year face life-altering circumstances, and we are reaching out to make things better for them. Through a $16,000 grant, the Foundation is partnering with the local Red Cross to make sure that the affected folks have shelter, food, clothing, medications and much more as they begin to rebuild their lives.
The Philanthropy Project was started in 2006 in an effort to involve a committee of young people – the Youth Leadership Committee (YLC) – in taking an active role in assessing and addressing the needs of the Roanoke Valley. Our goal is to introduce selected high school students to the world of philanthropy, both in terms of philanthropy’s role in being a productive citizen of the community and philanthropy as a possible career option. The program also seeks to develop leadership skills and consensus-building skills among the group.

Each year the YLC is responsible for allocating a pool of charitable grant dollars in response to the Roanoke Valley’s critical needs, as identified, researched, and discussed by the committee.

During its sixth grant cycle, the YLC considered programs that provide services and/or activities for older adults, programs that provide services and/or activities to physically, mentally and emotionally-disabled individuals and their caregivers, programs that focus on educating families about treatment, therapy, and available resources, and programs that work proactively to prevent individuals or families from becoming homeless.

In addition to grantmaking work, YLC members conduct a number of service projects throughout the year in partnership with local nonprofit organizations.

The Roanoke Women’s Foundation

The Roanoke Women's Foundation was co-founded in 2004 by Ginny Jarrett and Katherine Elliott in an effort to help women become philanthropic leaders. The Roanoke Women’s Foundation (RWF) currently has a roster of 131 women who have agreed to the group’s requirement to give $2,100 to the Foundation annually for three years. The RWF is focusing on giving grants to support critical needs, new ventures, capital campaigns, operating expenses, and innovative approaches to solving problems.

In November 2011, the RWF awarded five impact grants totaling $242,000.

- **Roanoke Valley Greenway Commission** was awarded $100,000 to its “Bridging the Gap” campaign to provide for the construction of a 4.1 mile section of the greenway located between Bridge Street in Roanoke City and Rotary Park in Salem.
- **The Salvation Army** was awarded $50,000 to support Turning Point, its domestic violence shelter in the Roanoke Valley.
- **Roanoke Area Ministries** was awarded $32,000 to replace donated and used equipment with new, commercial grade equipment in the RAM House kitchen.
- **Craig County Youth & Community Services** was awarded $30,000 to support the Craig County Recreation and Conservation Association’s “Field of Dreams” project, a multipurpose outdoor recreation complex including accessible fields for sporting events and physical activity.
- **West End Center** was awarded $30,000 to support its West End Leaders program.

To date, the amount The Roanoke Women's Foundation has awarded to benefit the community is $1,244,000.

Public Support

Founding Donors (ENDOWMENT)

It is a privilege to recognize a special group of individuals (living and deceased), private foundations and nonprofit organizations who established permanent endowment funds during the Foundation’s critical early years. These visionary donors saw the importance of endowing a community foundation that would provide significant resources to enrich the quality of life for current and future generations of Roanoke Valley citizens. Funds created by the donors listed below were put in place through outright gifts by December 31, 1996. Such Funds helped the Foundation reach and exceed its initial “critical mass” endowment goal of $5 million. In recognition of this support, each donor will be recognized in perpetuity as a “Founding Donor.”

Prescribing Healthy Living

Every Tuesday night in Fincastle, 40–50 uninsured individuals are able to get quality care from a cadre of volunteer medical professionals. When the Christian Free Clinic in Botetourt County needed help meeting the prescription medicine needs of its patients, the Foundation was there with a $4,000 grant. Now, individuals with chronic conditions such as diabetes, hypertension, coronary disease or asthma will have ready access to essential medications.
A dream of... a lasting legacy

A planned gift to Foundation for Roanoke Valley will have meaning and impact on our community for generations.

Choosing to include the Foundation as part of your estate plan is a wonderful way to provide permanent benefit to the community and organizations that are near and dear to you.

An estate gift to the Foundation is tax-wise and economical, flexible, permanent, and most importantly, personal. You can choose where your assets go – whether into a fund that perpetuates your name or the names of loved ones and your charitable interests, or into the Foundation’s unrestricted Community Catalyst Fund, Operating Fund, or one of the hundreds of existing endowment funds we administer.

In making estate gift decisions, we always encourage you to seek the advice of your professional advisors.

Donors who understand the importance of a permanent community endowment have trusted the Community Foundation to carefully manage and distribute their charitable funds for generations. If you would like to join this tradition of extraordinary generosity, please let us know so you can be recognized. We would be pleased to provide you with information necessary to make an informed giving decision.

The Foundation’s Legacy Society recognizes those individuals and families who have included or did include the community foundation in their estate plan. We are deeply honored to recognize the members shown below. Future estate commitments from Legacy Society members and from others who prefer to remain anonymous at this time now total over $70 million.

These future gifts will play a critical role in further strengthening this community for generations to come.
Friends of the Foundation

Bringing good people and good causes together. That’s what we’ve been doing for over two decades! We are fortunate that many of these good people demonstrate each year that a good cause they care about is the Foundation itself. These donors understand that, while we work very efficiently and frugally, it does take time and financial resources for us to be able to help hundreds of charitable organizations each year with our grants and technical assistance as well as help folks establish new endowments to benefit the community. For that we are honored to recognize them as “Friends of the Foundation.”

Individuals, families and organizations who give unrestricted administrative support to the Foundation in the amount of $500 or more are members of Friends of the Foundation for that fiscal year. The support is vital to keeping the community foundation strong and vibrant as we work hard to make this community an even better place for all. Thank you!

Our goal is to have 75 “Friends” this fiscal year, with a future goal of 100 or more annually as we grow. To do so, we need your help. Please consider a gift of $500 or more to Foundation for Roanoke Valley’s annual operating fund. Taking Action

When we were in our infancy, we were not sure about how to get started on the long road toward building a sizeable pool of community endowments. Enter Lewise Parsley. She had always wanted to find a way to turn her charitable dreams into reality. Hearing about this fledgling effort called a “community foundation” from her professional advisor, she decided to take action – first with a gift of appreciated stock to establish the Thomas P. and Lewise S. Parsley Fund and ultimately with a major bequest through her estate for the Fund. With her Fund as the solid building block and our inspiration, we began to work with many other individuals and families and now administer over 250 named endowment funds. These funds make possible the many wonderful grants described in this report and all the grants to come to benefit future generations. We invite you to take action as well and join us in this journey to make the places we call home even more special. Talk with your professional advisor or give us a call.
